INTRODUCTION TO THE CANADA CUP SERIES PRESENTED BY TOYO TIRES

The Canada Cup Series presented by Toyo Tires is our National Competition Circuit. It is designed primarily for athletes in the Learn & Train to Compete (L2C/T2C) stages of the Freestyle Canada Long Term Athlete Development (LTAD).

The purpose of Canada Cup Tour is as follows:

- To have a targeted, competitive, and sustainable **domestic** circuit that Freestyle Canada / PSO athletes can develop their competitive skills and coaches can create an effective yearly training plan around.
- To identify athletes transitioning to the High-Performance stream.
- To prepare athletes for the next level of international competition such as NorAm and other targeted international events.
- To design each event to its appropriate LTAD stage and develop the athletes effectively.
- To further support venue development (training venues) in our member programs.
- To create a national ranking system targeting all Canadian athletes from the late T2T to T2C LTAD stages for Moguls, Aerials, Slopestyle/Big Air and Halfpipe.
- To recognize the top ranked male and female athletes with an award, including NextGen team athletes, as Canada Cup Champions.

CANADA CUP AWARD GENERAL RULES

- All events will be sanctioned by Freestyle Canada under their current insurance policies and officiated as per Freestyle Canada's competition regulations.
- Eligible athletes will be awarded points as per their identified best

performances with the Competition Placing Values as per their discipline.

- The male and female athletes with the highest cumulative points based on the below process by discipline, will each be awarded the Canada Cup trophy.
- Canada Cup Awards will be given out at the end of the year, to the top Male and Top Female of each discipline.

CANADA CUP WORKING GROUP

Responsibilities

The Freestyle Canada High Performance Athlete Development Advisory Group (by discipline) will be responsible for the following tasks:

- Continuously assessing and developing this criterion. Freestyle Canada will select a few people within the association to work together to develop clear and accurate policies to operate a rankings program.
- FC's Event coordinator is responsible for managing the rankings.
- Review accuracy and relative factors of the ranking system on an ongoing basis.
- Communicate to the PSOs and coaches the criteria of the ranking system by November of each year.

Timelines

- Each Spring at the HPAD meeting, identify any potential changes in the Canada Cup Ranking procedures.
- November : Communicate the updated criteria for the upcoming season.
- The Rankings will be updated after each event throughout the season.

SLOPESTYLE/BIG AIR CANADA CUP ELIGIBLE EVENTS & VALUES
